Open your smartphone camera and scan over the code to learn more about the benefits of Duration® Exterior Acrylic Latex. ▶

Ensure your work stays beautiful for years to come with the thick, flexible coverage of **Duration® Exterior**.

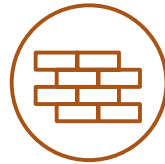

#### Offer Lasting Protection

Get outstanding protection from peeling and blistering.

#### Save Time and Money

Get the job done right with just one coat for repaints and two coats for new surfaces.

#### Take on More Jobs

Its versatile application lets you tackle a variety of surfaces with just one product — including stucco and masonry.

#### PermaLast® Technology

It's formulated with PermaLast® Technology and infused with advanced acrylic co-polymers for long-lasting performance.

**Industry-leading innovation from a name you can trust.** Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set your work apart.
