NEW Interior Stain Design Center

The wood-finishing expertise to
help you get the best results

WOOD STAINING MADE SIMPLE

Everything you need – all in one place

Our streamlined integrated system of products, colors and applicators makes it easier than ever to add interior wood staining projects to your jobs.

- Organized to highlight the process: Prepare, Stain and Protect
- Easy to envision the final result
- Simplifies product and color selection

CHOOSE THE COLOR

Your customers care about color. Our updated color palette combines classic beauty with modern flair.

- Updated color palette with 48 contemporary colors – only at Sherwin-Williams
- All colors available in Minwax Performance Series Tintable Wood Stain or Minwax Water-Based Tintable Wood Stain
- Customers can create custom colors – only at Sherwin-Williams

Custom color matching also available.

We offer excellent stain matching capabilities.

CHOOSE THE PRODUCT

Transform your customers' interior wood surfaces and keep them satisfied for years to come. Our full line of Minwax® products – including wood fillers, putty, pre-stain conditioners, sealer and varnish – helps you with all your wood-finishing projects from start to finish.

PREPARE

Minwax® Pre-Stain Wood Conditioner

- Prepares bare wood for staining
- Prevents streaks and blotches by penetrating the wood to promote uniform acceptance of oil-based stains
- Available in oil- or water-based formulas

STAIN

Minwax® Performance Series Tintable Wood Stain – Only at Sherwin-Williams

- Rich, thick formula that provides an elegant, long-lasting finish
- Tintable in 48 contemporary colors
- Minimal grain-raising of the wood
- Penetrates and seals bare wood and resists lap marks
- Fast-drying
- Available in 250 g/L VOC and 550 g/L VOC formulas

Minwax® Water-Based Tintable Wood Stain – Tintable in all 48 colors

Minwax® Gel Stain – Non-drip formula makes it ideal for vertical surfaces

Minwax® Oil-Based Wood Finish – Oil-based formula deeply penetrates wood pores

PROTECT

Minwax® Performance Series Fast-Dry Sanding Sealer – Only at Sherwin-Williams

- Quick dry allowing for sealing and varnishing in just one day
- Helps seal wood grain. Use prior to applying varnish
- Sands fast, easy and effectively in 1 hour
- Penetrates and helps seal bare wood for a smoother finish

Minwax® Performance Series Fast-Dry Varnish – Only at Sherwin-Williams

- Seals and protects
- Dries quickly
- Adds a warm amber tone
- Can be recoated in as little as 3 hours
- Available in Clear Satin and Gloss finishes

Minwax® Fast-Drying Polyurethane – Excellent durability makes it ideal for use on many interior wood surfaces

Minwax® Water Based Oil-Modified Polyurethane – Lower in odor than traditional solvent-based polyurethanes

Minwax® Helmsman Spar Urethane, Oil-Based – Contains UV blockers to reduce the sun's graying and fading effects

Minwax® Polycrylic Protective Finish – Water-based formula allows for easy soap and water cleanup

Minwax® Water-Based Helmsman Spar Urethane – Dries quickly and cleans up easily with warm water

**MAKE SHERWIN-WILLIAMS STORES YOUR
GO-TO DESTINATION FOR INTERIOR STAINS.**
