

PRO INDUSTRIAL™ WATER BASED CATALYZED EPOXY

**LONG-TERM DURABILITY.
PROVEN PERFORMANCE.
PRO INDUSTRIAL DELIVERS.**

Challenging environments require proven solutions, and Pro Industrial Water Based Catalyzed Epoxy delivers.

A two-component polyamine epoxy topcoat, this coating provides exceptional resistance to corrosion, chemicals, and abrasion in industrial and commercial spaces.

Blending the appearance of an architectural coating with the performance required for heavy traffic environments, rely on Pro Industrial Water Based Catalyzed Epoxy for proven protection.

KEY BENEFITS:

- ✓ Long-term durability in tough environments
- ✓ Exceptional Chemical, Stain, and Abrasion Resistance
- ✓ No sweat-in time and long pot life
- ✓ Water based for application in occupied areas
- ✓ Available in two sheens — Eg-shel and Gloss — and a full range of color options

KEY USES:

- ✓ Bathrooms and locker rooms
- ✓ Hospital corridors
- ✓ Manufacturing facilities and warehouses
- ✓ Correctional institutions
- ✓ Schools

PRO INDUSTRIAL™ WATER BASED CATALYZED EPOXY

As a two-component polyamine epoxy, Pro Industrial Water Based Catalyzed Epoxy delivers exceptional performance for the most challenging commercial and light industrial spaces. Offering easy application comparable to that of architectural coatings, it provides efficiency and performance without sacrificing aesthetics.

Pro Industrial Water Based Catalyzed Epoxy was engineered for exceptional durability in tough environments. With resistance to corrosion, chemicals, and abrasion, it offers reliable long-term durability. It is also suitable for USDA-inspected facilities.

Pro Industrial Water Based Catalyzed Epoxy can be applied in occupied spaces and offers excellent adhesion for increased efficiency. For tough commercial and industrial spaces, Pro Industrial Water Based Catalyzed Epoxy offers proven protection.

PRO INDUSTRIAL: SETTING THE STANDARD FOR HIGH-PERFORMANCE COATINGS.

When performance and appearance matter, trust the time-proven line of Pro Industrial coatings from Sherwin-Williams to ensure exceptional durability and lasting aesthetics. These innovative technologies are engineered to withstand high traffic and demanding conditions, making them ideal for busy commercial and institutional environments. Backed by more than 145 years of experience and the support of 2,400 field reps and 4,000 Sherwin-Williams stores, Pro Industrial is truly the professional's choice when performance is critical.

To learn more, contact your Sherwin-Williams representative or call **1-800-524-5979** to have a representative contact you.
