

ProClassic®

ACHIEVE A SMOOTH AND LUXURIOUS FINISH ON INTERIOR DOORS AND TRIM WITH PROCLASSIC®.

INTERIOR ACRYLIC AND ALKYD ENAMELS

YOU CAN'T GO WRONG WITH A CLASSIC. PROCLASSIC® MAKES YOUR JOB EASIER AND YOUR RESULTS BETTER.

Looking for the benefits of a waterbased enamel, but don't want to sacrifice adhesion, durability and block resistance? ProClassic Acrylic Latex is the perfect choice. It delivers a high-performing, non-yellowing finish that withstands even the toughest wear and tear. ProClassic is also available in an alkyd formula for use in non-restricted areas.

Want to achieve a beautiful, mirror-like finish — but need to meet stringent VOC regulations? ProClassic Waterbased Acrylic-Alkyd is just what you're looking for. In one formula, it offers the best of all worlds: the application and finish of an alkyd, the non-yellowing properties of an acrylic, and it's sure to help you get the job done faster.

PROCLASSIC KEY BENEFITS

- Excellent adhesion and a uniform finish make ProClassic an ideal choice for doors and trim – as well as cabinets and furniture.
- Provides excellent flow, leveling and sag resistance – and leaves no brush or roller marks.
- A wet and dry hide that allows you to apply fewer coats – saving valuable time and money.
- Ideal for fine quality residential and commercial interiors.
