

SuperDeck®

LOG HOME & DECK STAIN

FEATURING PREMIUM DUCKBACK TECHNOLOGY

LOG HOME & DECK STAIN DELIVERS A SLEEK FINISH IN LESS TIME FOR LONG-LASTING BEAUTY AND PERFORMANCE.

With a rich, satin finish, Log Home & Deck Stain is sure to make an elegant first impression. Though it applies with the ease of a traditional stain, its advanced formula provides the appealing look and weathering performance of a varnish. Its semi-transparent look is ideal for new wood surfaces, with excellent water beading performance and UV inhibitors to extend the life of the finish.

Log Home & Deck Stain not only offers exceptional beauty and performance, but

it does so in just two coats over properly prepared wood surfaces. With convenient in-store tinting and a quick-drying formula for recoating in just four hours, Log Home & Deck Stain allows many jobs to be completed in a single day. Its easy application and cleanup require less labor, so you can deliver premium results faster. Trust Log Home & Deck Stain for a beautiful finish that will stand the test of time.

LOG HOME & DECK STAIN KEY BENEFITS

- | | |
|---|---|
| <ul style="list-style-type: none"> Designed specifically for exterior log homes, wood decks, benches, even outdoor wood furniture. Innovative waterbased formula delivers a high-quality satin sheen and varnish-like finish for long-lasting beauty and enhanced weathering characteristics. May be used on interior vertical logs. | <ul style="list-style-type: none"> Two coats may be necessary to achieve the selected color and sheen, and in most cases, it can be recoated in just four hours to complete the job in a single day. |
| <ul style="list-style-type: none"> Provides the easy application and cleanup qualities of a traditional waterbased stain, with far less labor than a traditional varnish. | <ul style="list-style-type: none"> Brush application is preferred, although spray and roller applications are acceptable with back-brushing to ensure adequate penetration. |
| <ul style="list-style-type: none"> UV inhibitors and exceptional water-beading properties help extend the life of the finish, so the sleek, satin sheen lasts for years. | <ul style="list-style-type: none"> Convenient in-store tinting achieves the exact shade your customers desire to complement the exterior color palette of their home. |
