**Walls:** SW 6869 Stop

**Floor:** SW 7533 Khaki Shade

**Ceiling & Trim:** SW 7005 Pure White

**Bench & Racetrack:** SW 6244 Naval

### Design Ideas:

- Nothing says zoom like painting a race track up your little kids' walls. Playtime will never be the same. Use a small 3" roller to create your track and hand paint the road markers in white or yellow.
- A checkered flag window treatment is the perfect accent to your little racer's room.
- Details such as vintage road signs and toys rev up this room.
