SW 6310 Lotus Flower, SW 6422 Shagreen,
SW 0059 Frostwork

Design Ideas:

- A sweet palette of wide striped pastels create an eye catching accent wall for the crib while offering a sugary burst of color for baby.
- Coordinate design elements like a soft cozy chair and ottoman and white semi-gloss painted furniture for a sophisticated and soothing environment
- [Click here](#) for information on painting stripes!
- Hang a paper chandelier above the crib instead of a mobile for a more sophisticated look.
