

Exceed Expectations with Builders Solution[®] Interior Acrylic Latex.

Easily achieve a beautiful, uniform finish and deliver a great experience to every homeowner.

Excellent Touch-Up Featuring AccuTouch™ Technology

Improve Customer Experience

Enhance Durability

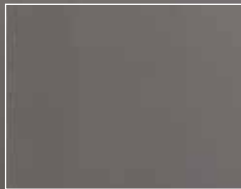

Competitive Latex Flat

Even with correct application, the touch-up is clearly visible.

Builders Solution®

The touch-up is smooth and virtually invisible.

Builders Solution® Interior Acrylic Latex

AccuTouch™ Technology — helping deliver excellent color and sheen touch-up in a wide range of temperature and humidity conditions — in Flat and Matte sheens so you can easily achieve a beautiful, uniform finish, even with darker colors.

Easier Walk-Throughs

With good hide and smooth application, everything will look great for your walk-throughs.

Improve Customer Satisfaction

Mask drywall imperfections for a beautiful finish that will satisfy discriminating homebuyers.

Enhance Durability

With good hide, washability and burnish resistance, customers will be pleased with the durability of their paint job.

Varying Temperature & Humidity Application

Experience fewer temperature-related construction delays and get homebuyers into their homes faster.

Industry-leading innovation from a name you can trust. Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set new homes apart.
