

## Cool Whites

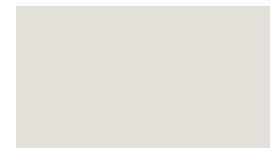

The crisp, clean look of cool whites comes from blue, green or violet undertones. Graceful and sophisticated, these whites convey a modernity that complements minimalist architecture and streamlined design to perfection.

## Blancos Fríos

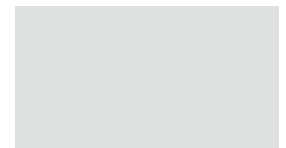

El toque fresco y limpio de los blancos fríos surge de los tonos básicos azul, verde o violeta. Llenos de gracia y sofisticación, estos blancos transmiten una modernidad que se complementa a la perfección con la arquitectura minimalista y el diseño estilizado.
