MANTRA

East meets West in this palette, and both styles have entwined in the most appealing way. Now Nordic simplicity happily engages with the order and elegance of Japanese aesthetics to create a look that is the best of both worlds. With softly muted neutrals that glide from warm to cool, it embraces all that is simple yet utterly essential.

PLAY

Tag. You're it. These buoyant colors extend an invitation to jump into the game and have fun. Energetic and clever, this palette packs a lot of charm. Starting with a fresh, pure white, it's peppered with surprising pops of brightness. Its mission is to add humor and warmth to all it touches — and to help us recall that deep down, we're still kids who love to play.

HAVEN

Like being welcomed home with open arms, this palette beckons to those seeking an oasis. Inspired by Earth's seasonal cycles, it features richly subtle shades of sea, sand, forest and sky. An innate reminder that sometimes real beauty lies in the spaces outside the lines and calm comes from knowing perfect isn't the only way to be.
