Sherwin-Williams provides high-performance solutions that meet your requirements for aesthetics and durability.

Sherwin-Williams is dedicated to giving you the answers you need and the personalized service you deserve — providing the most extensive distribution platform in the industry and products and services that help maximize performance and aesthetics, control costs, and improve application efficiencies. As your single-source supplier for coatings, supplies, flooring and wallcovering, Sherwin-Williams helps ensure that deadlines, budgets and expectations are met.

On-site delivery and in-stock reliability will help you get the job done faster.

Contact your nearest Sherwin-Williams store or to have a representative contact you, call 1-800-524-5979.
Sherwin-Williams provides high-performance solutions that meet your requirements for aesthetics and durability.

Sherwin-Williams is committed to developing innovative coatings and programs to help you control maintenance expenditures and maximize efficiencies.

High-Quality Coatings
• A wide range of high-performance coating systems for walls, floors, roofs and concrete surfaces.
• Coating options that meet the most stringent VOC regulations.
• All latex and water-based paints are tinted with GREENGUARD GOLD certified ColorCast Ecotoner® colorants, which do not add to the VOC content and won’t compromise the thickness or coverage of the paint. Only Sherwin-Williams has color formulas calibrated specifically for every product and every sheen to provide outstanding color accuracy and vibrancy.

Specialty Coatings
• Innovative products like Dry Erase Clear Coating — turns most any wall into a dry erase board; Tuff Surface™ Premium Texture Finish easily applied for a knockdown, splatter or orange peel texture; and Anti-Graffiti Coating for easy graffiti removal.
• Heavy-duty floor coatings and decorative systems including terrazzo.

More than Coatings
• Wallcovering collections are available in popular styles and colors.
• From carpet and vinyl to tile and ceramic, a wide selection of flooring is available with fast, professional installation.
• Applicators, tools and equipment to get the job done right.

Service & Reliability
• With 4,000 stores and 2,400 representatives, we provide fast, local service and on-site assistance. Products are readily available at Sherwin-Williams stores every day.
• Your Sherwin-Williams representative can provide a Custodian™ Report detailing all of your products and colors for easy future maintenance.
• Sign up on myS-W.com to manage your account online. Access your balances, make payments, set communication preferences and save your favorite products, colors and more.
• Savings every day to every pro with ProDiscounts™. Save 15% off list price on painting supplies; 20% off list price on case lot quantities on over 150 popular items and volume pricing on paints and coatings with your Sherwin-Williams pro account.

Color & Aesthetics
• Color design services to help create dynamic and appealing learning environments. Our specialists can help recommend wall color combinations or coordinate paints, window treatments, hard surfaces and flooring to make the color selection process easier.
• Exclusive ColorSnap® Precision computerized color matching for quick, accurate matches in any sheen. Formulas archived for 6 years for color consistency.

Your single-source supplier for all the solutions that keep the needs of education facilities covered.
Sherwin-Williams provides high-performance solutions that meet your requirements for aesthetics and durability.

Your single-source supplier for all the solutions that keep the needs of education facilities covered.

**High-Quality Coatings**
- A wide range of high-performance coating systems for walls, floors, roofs, and concrete surfaces.
- Coatings that meet the need for instant impact.
- Coatings that let you build to your own standard and produce custom colors with Colormakers – Sherwin-Williams color cathodes.
- Aliphatic urethane enamels that dry faster, are more abrasion resistant, and provide a longer life span than other urethane systems.
- Your Sherwin-Williams representative can provide a complete package of recoat materials for any finishes you may have on your facility.

**Specialty Coatings**
- Sherwin-Williams offers the Pro Base Clear Coating – same base any tint in any color system. "Self Barring" Primer Sealer offers a clear basecoat for use on any floor that has been through a wash or mopped.
- Sherwin-Williams has forever changed the floor finish game with our Smart Finish Technology – all the benefits of a top grade polyurethane floor coating plus a variety of colors and patterns.
- Sherwin-Williams offers several options to greatly reduce the amount of VOCs in the environment.
- Sherwin-Williams offers a wide range of high-performance effects products such as textures, metallic and holographic finishes.
- Sherwin-Williams offers a wide range of products for cure, level and rust-inhibiting systems.
