

Behind  
every great floor,  
a company you can count on.

Floorcovering

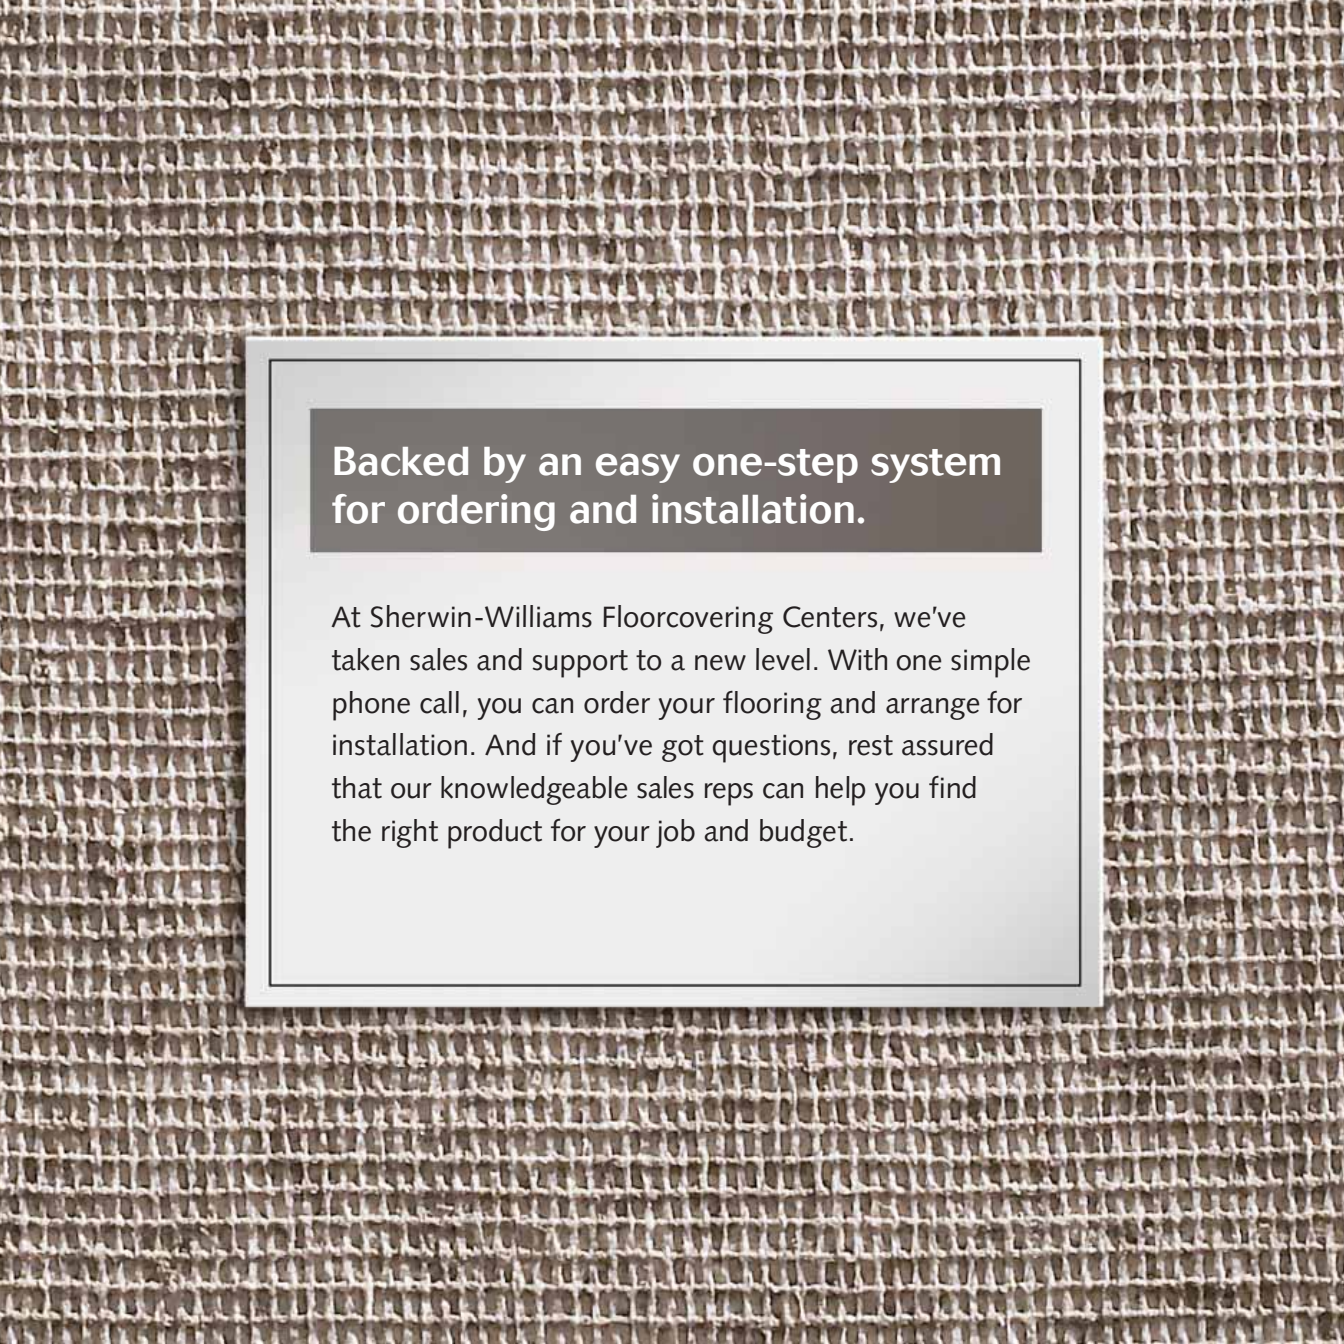

When you purchase floorcoverings from Sherwin-Williams, you'll get more than just a floor. You'll get confidence. Confidence in knowing you'll find products that are attractive, durable and affordable. Confidence in knowing they'll be installed quickly and correctly. Confidence in knowing that if anything goes wrong, there's someone you can call to make it right.

That's why the carpet, vinyl, tile and wood flooring products we sell are backed by locations and professionals dedicated to selling floorcovering to property management, homebuilder and commercial customers. Our goal is to make sure your job is completed on time and without complications.

We know that buying flooring  
is one of the hardest parts of your job.  
And it's our job to make it easier. Let us show  
you how. Call us at 800-524-5979 today for the

**Backed by an easy one-step system  
for ordering and installation.**

At Sherwin-Williams Floorcovering Centers, we've taken sales and support to a new level. With one simple phone call, you can order your flooring and arrange for installation. And if you've got questions, rest assured that our knowledgeable sales reps can help you find the right product for your job and budget.

## **Backed by a 48-hour turn.**

Every day your flooring goes uninstalled is another day you lose money. When you call a Sherwin-Williams Floorcovering Center, we'll guarantee that our professional, insured installers will have your carpet and padding installed within two business days. Many of our locations will also take your old carpet and padding and send it to be recycled.

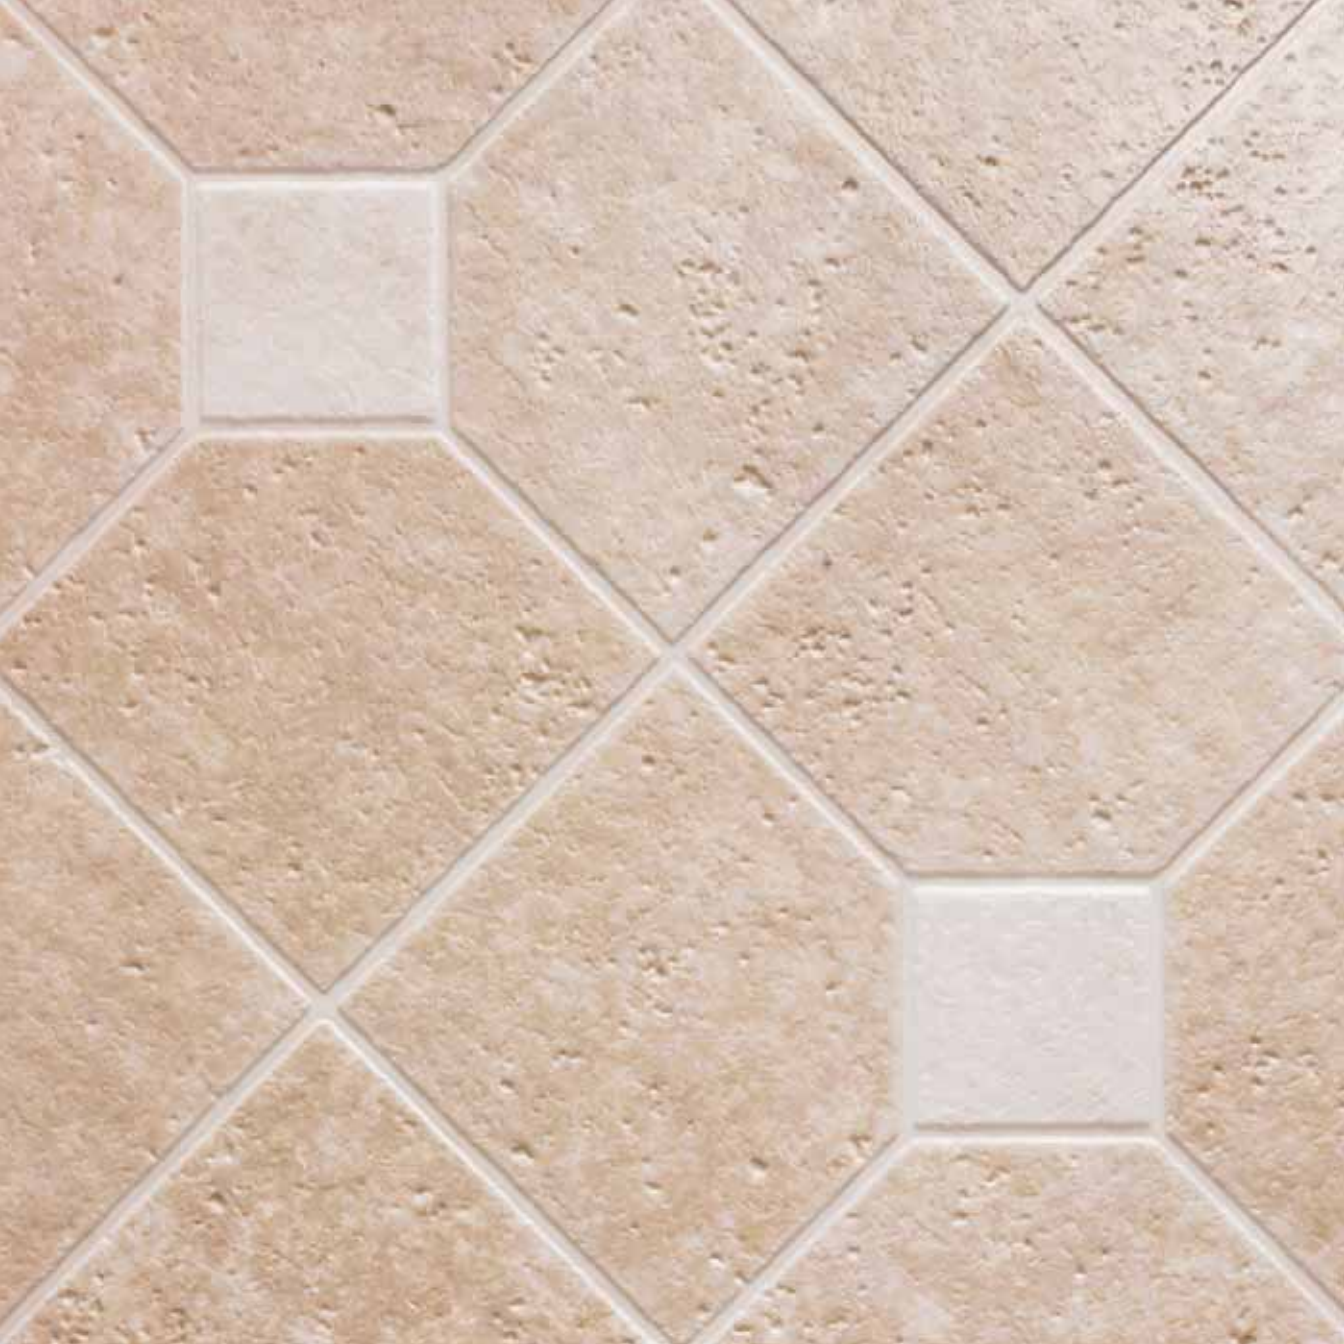

The background of the entire image is a close-up, vertical view of light-colored wood planks, likely oak, showing natural grain patterns and knots. A white-bordered rectangular box is centered on the page. Inside this box, at the top, is a dark grey horizontal bar containing the text 'Backed by the brands you know.' in white. Below this bar, the main body of text is in black on a white background.
