

Healthcare Facilities

We've got you covered.

From capital expenditure projects to maintenance, Sherwin-Williams helps make it easy for facility managers.

Nationwide Reach

With 5,000+ stores, we're here for you everywhere you need us.

Custom Color Solutions

From photo imaging tools to personalized consultations, our color experts will help you every step of the way.

SHERWIN-WILLIAMS®
TOTAL SOLUTION PROVIDER

Your One-Stop Shop

Floor to ceiling and everything in between, you can find an ideal coating or solution from our comprehensive lineup of industry-leading products.

Personalized Support

Our 3,400+ field reps and team of dedicated National Account Executives provide personalized solutions and support tailored to your unique facility.

Big projects or small, from the interior to the exterior, from the walls to the walkways, we have what you need to make your facility stand out.

Paints & Finishes	Equipment & Supplies	Wallcoverings & Window Treatments	Concrete Coatings	Roofing Solutions
				

Interior Coatings

A

Emerald® Interior Acrylic Latex

Premium performance and luxurious long-lasting beauty. This paint and primer offers easy application and a smooth uniform finish.

B

SuperPaint® with Air Purifying Technology Interior Acrylic Latex

Helps improve indoor air quality by reducing volatile organic compounds (VOCs) and breaking down common interior odors.¹

C

SuperPaint® with Sanitizing Technology Interior Acrylic Latex

Keeps walls sanitized 24/7 with ongoing antibacterial action to prevent the spread of harmful bacteria on painted surfaces.²

D

ProMar® 200 Zero VOC Interior Latex

Maximizes productivity with excellent durability, hide and touch-up. Available in six sheens and every color.

E

ProClassic® Interior Waterbased Acrylic-Alkyd

A tough and durable coating that enhances the look of doors, trim, cabinets and furniture. Excellent adhesion, flow, leveling and sag resistance.

F

Dry Erase Coating

Specialty clear gloss coating without yellowing or shadowing. Compatible with numerous surfaces. (Not suitable for heavy-duty protection.)

High Performance Coatings

G

Pro Industrial™ Acrylic Coating

An easy-to-apply, quick-dry, durable acrylic that resists stains and flash/early rust.

H

Pro Industrial™ Waterbased Catalyzed Epoxy

Resistant to abrasion, impact, corrosion, chemicals, stains, scrubbing and blocking. Ideal for public spaces like bathrooms, hallways, fitness areas and locker rooms.

I

Pro Industrial™ Pre-Catalyzed Waterbased Epoxy

Delivers advanced toughness, durability and stain resistance in a single-coat formula, with less than 50 g/L VOC.

J

Pro Industrial™ Waterbased Alkyd Urethane Enamel

Combines the flexibility and durability of a urethane, the smooth finish of an enamel and the ease of application of a water-based coating.

K

Pro Industrial™ DTM Acrylic Primer/Finish

This fast-drying, rust-resistant formula can be used as a primer under most water-based topcoats or alone as a primer/topcoat system.

Exterior Coatings

L

Emerald® Exterior Acrylic Coating

Exceptional durability and coverage with exclusive cross-linked 100% acrylic technology. Resists blistering, peeling, chalking, fading and dirt buildup.

M

Latitude® with ClimateFlex Technology®

Combines high-quality performance with best-in-class weather-adaptive technology for results that are ideal, even when the weather isn't.

N

SuperPaint® Exterior Acrylic Latex

Paint and primer that withstands the elements and resists peeling, blistering and early dirt pickup. Formulated with Advanced Resin Technology for outstanding adhesion and hide.

O

Loxon XP™ Masonry Coating

High-build coating for concrete and masonry. Resists alkali, efflorescence and wind-driven rain, and has less than 50 g/L VOC.

P

ConFlex™ UltraCrete™ Texture Coating

Economical spray-on finish for masonry surfaces, minimizing imperfections for lasting appeal.

Floor Coatings

Q

ArmorSeal® Floor Coatings

Diverse epoxy, urethane, primer and patch solutions for all traffic levels, offering both appeal and performance.

R

Resuflor™ Terrazzo TG46

The design of the floor can mix and match several terrazzo matrix colors and aggregate selections to complete this unique flooring surface, customized for each installation.

S

SofTop® Comfort Systems

Industry-leading sound-dampening technology combined with ergonomic comfort and a chemical-resistant, long-wearing topcoat.

T

Poly-Crete® Flooring Systems

Rapid-curing, chemical-resistant and moisture-tolerant systems combine water-based urethane resins with cement and special aggregate for durability in tough environments like hospital kitchens.

U

Resuflor™ Deco Quartz Flooring Systems

Colored quartz and clear resin are combined to create unique, durable surfaces that are easy to clean and resistant to chemicals and stains.

¹The length of time that odor and formaldehyde are actively reduced depends on the concentration, frequency of exposure and amount of painted surface area.

²EPA-registered paint that kills 99.9% of Staph (*Staphylococcus aureus*), E. coli (*Escherichia coli*), MRSA (Methicillin-resistant *Staphylococcus aureus*), VRE (Vancomycin-resistant *Enterococcus faecalis*) and *Enterobacter aerogenes* on painted surfaces within two hours of exposure, and continues to kill 90% of bacteria for up to four years when the integrity of the surface is maintained.

SHERWIN-WILLIAMS®

Dependable for Over 155 Years and Counting

At Sherwin-Williams, we have you covered. Our commitment to excellence spans over 155 years, and our ongoing strategy is focused on your success today, tomorrow and for years to come. From color consistency and product availability to innovation and expertise, we are focused on providing an exceptional experience for you every step of the way as you grow your business. When you partner with Sherwin-Williams, you choose a deeply experienced team that understands your business and the paint industry.

Predictable and Consistent Service

We're everywhere you need us with more than 5,000+ company-owned stores, 3,400+ reps and a deeply experienced team. We are here to assist you in solving the challenges you face every day.

Highly Educated Paint and Coatings Experts

Our strong reputation attracts the best talent in the industry — allowing us to be a knowledgeable single-source option for all your paint and flooring needs.

Responsive Supply Chain

You can count on our world-class supply chain's design, reach, relationships and purchasing power to ensure that the products you need will be available when and where you need them.

Product and Color Consistency

Quality is just as important to us as it is to you, so we don't cut corners. We control our own manufacturing, allowing us to rigorously maintain quality and color performance.

Customer-Centric Innovation

With annual new product launches in the double digits, Sherwin-Williams is committed to bringing professional painters the newest and most innovative technology and tools.

Contact your nearest Sherwin-Williams store, or to have a representative contact you, call 1-800-524-5979.
