

Taping and Masking Skills Exercise - field masking

- Apply blue painter's tape and masking material in the field areas indicated here
- Blade press tape edges for a good seal
- Pay special attention to **inside corners** and tool them to a sharp clean mask
- Work the board from the center section (1) down and save the top section (4) for last
- Plan for easy tape removal with pull tabs and continuous tape runs

Taping and Masking Skills Exercise - trim masking

- Apply blue painter's tape to protect all trim on the painting skills board
- Blade press tape edges for a good seal
- Pay special attention to **inside corners** and tool them to a sharp clean mask
- Work the board from the center section (1) down and save the top section (4) for last
- Plan for easy tape removal with pull tabs and continuous tape runs
