ProBuy®

Professionals' choice for quality products and great savings.

La elección del profesional de productos de calidad y grandes ahorros.

Cashmere® Interior Latex

Látex interior Cashmere®

- Silky, low-stipple appearance that looks good from all angles
- Looks, feels and applies smooth and buttery
- Outstanding coverage and hide
- Scrubbable for easy cleaning and maintenance
- Ideal for residential spaces
- Available in flat enamel, low lustre, medium lustre and now pearl finish for a unique, luxurious, pearlescent sheen that shifts based on the viewing angle

Resilience® Exterior Latex

Látex exterior Resilience®

- Formulated with exclusive MoistureGuard™ Technology for revolutionary moisture resistance in half the time of traditional latex paints — paint later in the day with confidence and less concern about dew or impending rain
- Outstanding hide, coverage and durability
- Flows and levels for a smooth, uniform finish
- Great no matter what the forecast — delivering quality performance in moist or dry climates
- Low temperature application down to 35°F
- Available in flat, satin and gloss

Aluminum Telescoping Ladders

Escaleras telescópicas de aluminio

- Extends and locks by the foot
 - No-pinch closure system for safe operation of the telescoping features
 - Integrated carry handle makes it easy to carry with one hand, leaving your other hand to carry tools; decreases the amount of trips made
- 12.5', Type II, 225 lb. load capacity
SW100-2377 – **\$182 Ea.**
- 12.5', Type IA, 300 lb. load capacity

Choose the **RIGHT SERIES** for all your painting applications.

Anyone can build a sprayer. Only Graco builds a sprayer that's designed from the ground up to match how you work. Graco's Ultimate MX™ II and GMAX™ II lines of sprayers are now available in three distinct series that deliver the features that make your work easier, faster and more productive.

If You're a **Small Residential and Repainting Contractor**

- ▶ You're painting multiple days a week
- ▶ Your jobs are typically on the smaller side
- ▶ You demand everyday reliability
- ▶ You don't need a lot of extra features

You need a **Standard** Series sprayer.

If You're a **Large Residential and Commercial Contractor**

- ▶ You're painting every day
- ▶ You tackle medium to large projects
- ▶ You're moving frequently from job to job
- ▶ You need features that save you time and get you in, out, and on to the next jobsite

You need a **ProContractor** Series sprayer.

If You're a **Large Commercial and Industrial Contractor**

- ▶ You're painting continuously in less-than-ideal conditions
- ▶ You handle large, long-duration projects that require large volumes of material
- ▶ You keep your equipment on-site in paint
- ▶ You require extreme durability and reliability

You need an **IronMan** Series sprayer.

All Standard, ProContractor and select IronMan Series Sprayers are available in both electric and gas models.
