Dependable for Over 155 Years and Counting

At Sherwin-Williams, we have you covered. Our commitment to excellence spans over 155 years, and our ongoing strategy is focused on your success today, tomorrow and for years to come. From color consistency and product availability to innovation and expertise, we are focused on providing an exceptional experience for you every step of the way as you grow your business. When you partner with Sherwin-Williams, you choose a deeply experienced team that understands your business and the paint industry.

Predictable and Consistent Service

We're everywhere you need us with more than 4,600 company-owned stores, 3,600 reps and a deeply experienced team. We are here to assist you in solving the challenges you face every day.

Highly Educated Paint and Floorcovering Experts

Our strong reputation attracts the best talent in the industry — allowing us to be a knowledgeable single-source option for all your paint and flooring needs.

Responsive Supply Chain

You can count on our world-class supply chain's design, reach, relationships and purchasing power to ensure that the products you need will be available when and where you need them.

Product and Color Consistency

Quality is just as important to us as it is to you, so we don't cut corners. We control our own manufacturing, allowing us to rigorously maintain quality and color performance.

Customer-Centric Innovation

With annual new product launches in the double digits, Sherwin-Williams is committed to bringing professional painters the newest and most innovative technology and tools.

Contact your nearest Sherwin-Williams store, or to have a representative contact you, call 1-800-524-5979.

Interior Coatings

- A**  **Emerald® Interior Acrylic Latex** 
Premium performance and luxurious long-lasting beauty. This paint and primer offers easy application and a smooth, uniform finish.
- B**  **Duration Home® Interior Acrylic Latex** 
Exceptional coverage with advanced stain-blocking technology. Features Moisture Resistant Technology, offering quick return to service in moist environments.
- C**  **Cashmere® Interior Acrylic Latex**
This paint and primer glides on easily and dries to a silky rich finish. Features a scrubbable surface for easy cleaning and maintenance.
- D**  **SuperPaint® with Air Purifying Technology Interior Acrylic Latex** 
Helps improve indoor air quality by reducing volatile organic compounds (VOCs) and breaking down common interior odors.¹
- E**  **Scuff Tuff® Interior Waterbased Enamel** 
Durable finish that protects against scuffing, scratching and burnishing, making it the easy choice for high-traffic areas.
- F**  **Gallery Series™ Waterborne Topcoat**
Get a factory-like finish fast. Designed for professional spray application, it flows to a smooth finish and can be sanded or recoated in as little as 45 minutes.²
- G**  **Emerald® Urethane Trim Enamel**
Give cabinets, doors and trim a smooth, luxurious finish. This water-based enamel resists yellowing and creates a hard, durable finish.
- H**  **ProClassic® Acrylic Latex Enamel**
Easily create fine-quality features and get all the benefits of a water-based enamel without sacrificing adhesion, durability and block resistance.
- I**  **Premium Ceiling Paint** 
Our brightest, whitest ceiling paint. The non-lapping formula and ultra-flat finish blend seamlessly for a uniform finish that reduces surface imperfections.
- J**  **Minwax®**
From warm, rich wood stains to protective, clear finishes, Minwax offers a complete line of wood finishing products available in a variety of opacities and colors.

Exterior Coatings

- K**  **Emerald® Rain Refresh® Exterior Acrylic Latex**
Dirt washes away upon contact with rain or other water sources for a clean, fresh look with minimal maintenance. Offers excellent UV and weather protection.
- L**  **Emerald® Exterior Acrylic Latex**
Achieve stunning exterior results that stand the test of time. Delivers extreme resistance to blistering and peeling, exceptional hide and a smooth finish.

Exterior Coatings (cont.)

- M**  **Duration® Exterior Acrylic Coating**
Featuring PermaLast® Technology with acrylic co-polymers for maximum durability. Self-priming and mildew resistant.³
- N**  **Latitude® with ClimateFlex Technology®**
Combines high-quality performance with best-in-class weather-adaptive technology for results that are ideal, even when the weather isn't.
- O**  **H&C® Cool Feel® Acrylic Solid Color**
Cool Feel® Comfort Step Technology™ reduces the temperature of concrete surfaces exposed to UV rays, making hot days more comfortable for people and pets.
- P**  **WoodScapes® Rain Refresh® Solid Color Stain**
Stays looking fresh with Self-Cleaning Technology that washes away dirt on contact with rain or hose water. Penetrates deeply to defend against peeling and fading.
- Q**  **WoodScapes® Exterior Stains**
Choose from solid, semi-transparent or premium translucent for a high-quality wood finish that is durable and provides great coverage.
- R**  **SuperDeck® IR Reflective Exterior Deck Stain**
Enhances the wood's natural charm and improves deck enjoyment. IR reflective pigments cool the surface of the deck by reflecting the sun's rays.

High Performance Coatings

- S**  **Pro Industrial™ Multi-Surface Acrylic**
Self-priming, adheres to marginally prepared surfaces, with high hide, stain resistance and superb gloss/color retention.
- T**  **Pro Industrial™ Urethane Alkyd Enamel**
Provides performance comparable to silicone alkyds and is easy to brush, roll or spray.
- U**  **Pro Industrial™ Pre-Catalyzed Waterbased Epoxy** 
Delivers advanced toughness, durability and stain resistance in a single-component formula, with less than 50 g/L VOC.

Floor Coatings

- V**  **ArmorSeal® Floor Coatings**
Combining aesthetic appeal and durability, this broad range of epoxies, urethanes, primers and patches is perfect for light to heavy traffic areas.

¹The length of time that odor and formaldehyde are actively reduced depends on the concentration, frequency of exposure and amount of painted surface area.

²Gallery Series™ is for professional use only.

³Contains agents that inhibit the growth of mildew on the coating film surface.
