

**SHERWIN-WILLIAMS**

# Get a factory-like finish FAST with **Gallery Series™** Waterborne Topcoat

**Gallery Series™** makes it easy to offer flawless-looking cabinetry with a durable, professional-grade finish.

**Fast dry times**

**Super hard finish**

**In-demand color options**

**Designed for on-site application**

*Gallery Series™ Waterborne Topcoat is a hard-wearing, professional-grade coating that achieves a factory-like finish on cabinets, trim and millwork.*

**Fast dry times  
enhance productivity**

Gallery Series™ dries to the touch in 30 minutes and can be sanded or recoated in as little as 45 minutes.

**Super hard,  
durable finish**

Excellent hardness and chemical resistance compared to traditional architectural finishes. Meets Kitchen Cabinet Manufacturers Association® (KCMA) requirements when properly applied.

**For spray  
application ONLY**

Formulated exclusively for professional spray application, Gallery Series™ gives contractors a high-grade coating with excellent flow and leveling.

**1K formula with 2K  
performance**

The self-sealing, single-component formula offers the convenience of no on-site mixing with the performance of a two-part enamel coating.

***Industry-leading innovation from a name you can trust.** Many hours of field testing, years of research and decades of experience go into developing coatings that are better for your business. Sherwin-Williams has been committed to quality for more than 150 years and has a complete line of extraordinary paints and stains, plus rich, beautiful colors to set your work apart.*
